

Walton & Hersham Football Academy

Personalized Development in Education & Football

HOME EDUCATION

WHY CHOOSE WFHA FOR EDUCATION?

Has your school ever asked you what your child wants from their education? Our guess is No. The purpose of our independent school and education is to create tangible goals for our students education. One size fits all only works for hats. Our students receive a personalized curriculum engineered by our process of audit meetings with the family and our Headmaster Beth Esposito. We deliver an education that is useful and worth having in the future.

FOOTBALL

WHY CHOOSE WFHA FOR FOOTBALL?

Have you ever considered your child moving to a hybrid education/sport daily school schedule? What footballing parent hasn't!?!? The purpose of our football curriculum is to build mastery in football. Our curriculum is curated by Garry Monk- former Premier League player and manager. Robyn James is our Director of Football and will engineer your child's personal development in the sport. We maximize your child's footballing potential through proper academy scheduling, advanced software tracking for performance, and expert training.
